

## OUTBURSTS OF EVERETT TRUE

J. P. Mearns

George Potato, of St. Louis, arrested for trying to mash girls on the street, is the subject of a variety of cheap remarks about different styles of serving the well-known and justly-esteemed product of Ireland and other parts.

Seven thousand winter tourists have arrived in Imperial Valley, California, and put up at the

Hotel Alfalfa. They are cattle from New Mexico, Arizona and Utah.

Banker Higginson of Boston says "the common law is sufficient to look after any monopoly." So glad the question is settled!

There are more than 100 firms or individuals manufacturing aeroplanes in Germany.
